

Make Equal Groups

Name _____

Learning Target: Create smaller equal groups of objects from a larger group of objects.

Think and Grow

Equal groups

_____ groups of _____

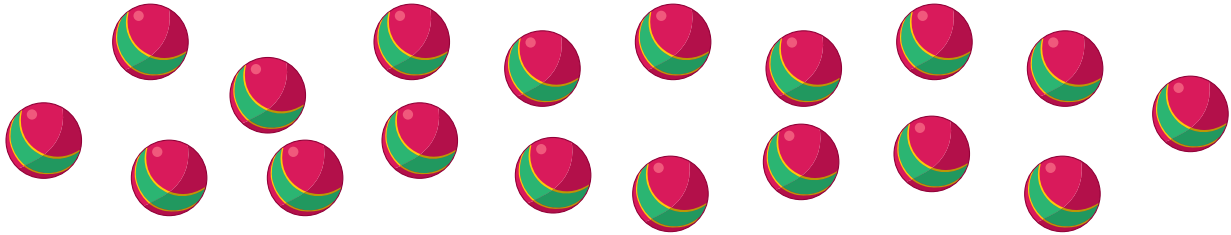

Directions:

- Create 3 equal groups. Tell how many buttons are in each group. Then write the numbers.
- Create 2 equal groups. Tell how many bananas are in each group. Then write the numbers.

Practice

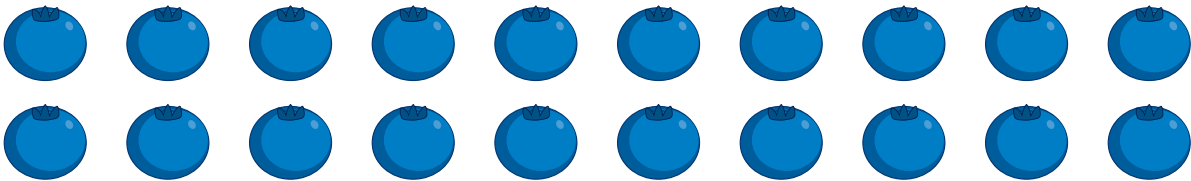

Name _____

1

_____ groups of _____

2

_____ students each get _____ blueberries.

Directions: 1 Create 3 equal groups. Tell how many balls are in each group. Then write the numbers. 2 Create equal groups so that each student gets a fair share. Tell how many students there are and how many blueberries each student gets. Then write the numbers.
